		ACTION
	<p>Public Question Time: John Halsall was present from CPRW and updated the meeting on the campaign. Due to significant public support to prevent the proposed development at Ruscombe the consultation has restarted. Housing numbers have been reduced. Further consultation documents are available (see website) and the public are encouraged to continue their support. The new deadline is 22nd February. The likelihood is that the development will continue in Grazeley. Protection of the Greenbelt is still considered to be critical. The Clerk was requested to send a copy of the letter, originally sent to Rt Hon Theresa May in 2017, to support the campaign (see website)</p> <p>Ian Motuel and Helen March were present from RBWM to update the Parish Council on the Borough Local Travellers Plan Local Authorities have an obligation to provide suitable sites for the Traveller Community. FC/2/510/2019	<p>PLANNING APPLICATIONS: C Scott-Hopkins left the meeting 18/03585/FULL Ivybank Farm The Street Waltham St Lawrence Reading RG10 0JJ Replacement building to be used for ancillary accommodation and new entry gates following demolition of the existing garage The Parish Council noted:</p> <ul style="list-style-type: none"> • The garage pictured in the application was demolished circa 3 years ago. • The diagrams provided do not make clear the scale of the new property, which appears to be significantly larger than the previous garage and thus contradicts policy GB2. <p>C Scott-Hopkins re-joined the meeting 18/03708/FULL Four Acres Twyford Road Waltham St Lawrence Reading RG10 0HE Addition of windows and glazed doors to garage The Parish Council Commented:</p> <ul style="list-style-type: none"> • Firstly, if RBWM refuses Planning Application 18/03704CPU then the Parish Council objects to this application being inappropriate for a stable block/garage • Secondly if RBWM grants approval of application 18/03704CPU then the Parish Council would have No Objection. <p>19/00177/FULL The Barn Bear Farm Binfield Bracknell RG42 5QE New vehicle access to Spinning Wheel Lane with new driveway, replacement of existing parking area and replacement of existing driveway with reinforced grass The Parish Council had No Objection 19/00218/Full John Birkett left the meeting Land between Milley Nursery and Oakleys to east and Beasley to west, Milley Rd, Waltham St Lawrence X1 dwelling with attached garage, stables, driveway, har standing and entrance gates with front boundary treatment The Parish Council Objected to the application which appears to fail various policy tests in that: 1 The site lies well outside the Recognised Settlement boundary of WSL so that normal infilling would not apply in this Green Belt location 2. It would represent a form of backland development rather than the closing of a small gap in a built up frontage 3. It would adversely affect the openness of the GB where there is no existing or previous development</p>	<p>Clerk</p> <p>Clerk</p> <p>Clerk</p>
